Start your own Advertising TV
With the viewneo 4K SignageBox

The viewneo 4K SignageBox turns any flatscreen into an advertising or information display. Manage screens and playlists online – from anywhere.

- ✔ Create a modern ambience and improve customer experience

- ✔ Extend the time that customers spend in your shop and minimize the perceived waiting time

- ✔ Set a timer to show your offers at the right time

- ✔ Save time and money for less attracting print advertising

Your ideas. In brillant resolution.
Up to 4K Ultra HD

Full HD or 4K Ultra HD: The 4K SignageBox turns your screens into real eye-catchers. It ensures high-resolution playback which is great for any HD or Ultra HD screen as well as for video walls.

Quick and easy setup
Via remote control

Setting up your viewneo 4K SignageBox is super easy. Just use the remote control and once your 4K SignageBox is connected to your screen, the installation will be finished within seconds.

Stable, reliable, powerful
Your content. 24/7.

The world on your screens should be vibrant 24/7. Let your screens advertise for you – even while your competitors are asleep. The 4K SignageBox is a great solution for any application where continuous broadcasting is demanded.

All you need to start from scratch
For an unlimited DS experience

The viewneo 4K SignageBox comes with the whole package, including the professional license – for an unlimited Digital Signage experience.
